Hi Nancy,

I'm not aware of any submittal from Excelsior yet. However, I expect a response is imminent. Also, fyi, Mike and I are going to meet with Excelsior, at their request, when we are in Arizona on Dec. 12<sup>th</sup>. Trevor from ADEQ was invited as well. We can touch base next week before I leave as to what (if anything) they have submitted and also the email Becky sent about NHPA and tribal consultation. Thanks, David
